Product Overview

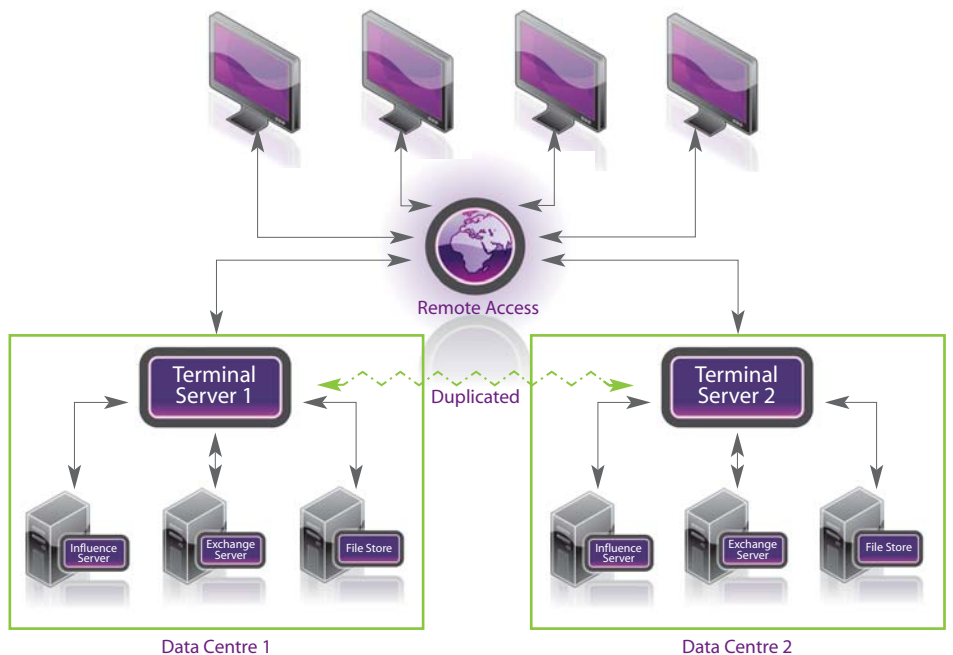

Influence Virtual Office solution provides a high performance, super secure, super resilient, corporate level IT network with its own dedicated IT management team delivered as a subscription based service.

You can access *Influence Professional*, email, *Microsoft® Office Standard* applications online from anywhere in the world. It is a fully managed IT system, which means that we take full responsibility for its support and maintenance including backups.

We bundle all your Microsoft® and Influence licenses into one monthly subscription fee. Thus, you always have the latest versions of *Windows®*, *Office* and *Influence* applications without any upgrade costs or time consuming installations.

It is a dynamically expandable IT network so you know exactly how much to budget for in advance and on a head by head basis. No last minute surprises, no complex upgrade projects.
